Welcome back to another exciting school year here at the Able Enrichment Centre. As always, we strive to provide a progressive and nurturing environment within which students may enrich their education.

1. Students may proceed directly to their classes upon entering the school. Parents who remain must sign in at the security desk. This is a safety regulation; there are no exceptions.
2. Students are reminded to not touch anything in the desks or lockers. Any such instances are considered theft or vandalism and will be dealt with harshly. Should a student require a pen/pencil or paper or other school supplies, they should ask the teacher or the office can supply some.
3. SJR is a smoke and peanut-free campus. Parents and guardians are reminded to please not smoke on school premises. Any snacks brought to the school must also be free of any nuts.
4. There are no classes on Oct 11th and Nov 8th for the Thanksgiving and Remembrance day holidays respectively. A full calendar is available on the website.
5. For the sake of maintaining safe traffic flow during drop-off/pickup, please enter via the entrance on South Drive and exit via North Drive. The loop in front of the school is for drop off and pickup only. Parking is available next to the school by the arena. Driving/parking instructions as well as maps are available on the website.
6. There is no gym available for student/parent use. However, students are permitted outside for recess (weather permitting) as well as Rousseau Hall on the second floor. Parents may wait in the Robinson-Wolinsky hall next to the security desk.
7. Classes run from 2:00 pm to 4:15 pm. The school is locked down at 4:30 pm after classes are dismissed. Parents are reminded to please drop off and pickup their children punctually.

If you have any questions or comments, please feel free to contact me via email. Regards,
