7 June, 2008

The end of the year is rapidly approaching. Only two more weeks of classes until summer vacation. I believe we have had a very successful session here at our new campus at SJR, and we will be continuing here next September. The calendar for next year will be distributed on the last day of classes (printed on green), and registration forms will be sent home along with this letter.

1. AEC will be held at St. John's Ravenscourt for the 2008-2009 school year.
2. Registration day for the 2008-2009 year will take place on Saturday, 13 September, 2008. Forms are available online <www.ablemath.ca> or from the office. Fees are \$300 for the year; term payment options are also available. We recommend registering before the end of the year or during the summer in order to avoid the rush on registration day. Returning students should bring their AEC reports cards with them. New students should bring their day school report cards and will undergo a brief examination and interview to determine placement.
3. Two new options have opened for recess. These will also be available for next year. Other areas of the school remain off limits to students and parents.
 - a) Rousseau Hall - on the second floor, down the hallway beyond the classrooms
 - b) the playground - outside by the mini-baseketball court and play structures, weather permitting (students must use only the front entrance)

With that, I wish you all a safe and fruitful summer, and I hope to see you all next year. If you have any questions or comments, please feel free to contact me via email. Regards,

Nathan Lee, M.Sc.
